

February 2019

Dear 4-H Club Leader:

Planning is underway for the 2019 4-H Spring Steer & Heifer Show to be held April 25 – 27, 2019. This year's show promises to be another great event for everyone, and we hope that your club will join us for the competition!

Please note, the 2019 schedule has changed somewhat from previous years. As such please review the Prize Book carefully. One change of note is the Showmanship classes will be held Friday morning and will be DRY. Also, this year Team Grooming will change slightly as the committee has decided that they will create the teams and the list will be posted during weight in.

We ask that Club Leaders review and verify that all information on all entries is complete and correct prior to submission. As in previous years, all entries **MUST** be submitted together along with **ONE** cheque for fees (see rule 10).

New this year, we are asking all 4-H members who plan to attend the event in any capacity to indicate this on the registration forms. If you have members attending, but not bringing animals, please register them on the Club Entry Form. All registered members will receive a "participant wristband" to be worn for the duration of the event.

As always, additional entry forms may be printed from our website at www.yorktonexhibition.com (or photocopied from the prize list booklet).

We look forward to seeing you at the 2019 4-H Spring Steer & Heifer Show! Please contact the Yorkton Exhibition office at 306-783-4800 with any questions.

Thank you,

Spring Steer & Heifer Show Committee
